Websites on 9-11 reality:

The reason Trump is US President is that the minds of too many Americans are still in Medieval times, with belief in ghosts, witches, flying saucers and magic like the "911 inside job."

Please inform yourself with real data, and use critical thinking instead of unsubstantiated conspiratorial speculations in an attempt to advance ideology you are emotionally attached to. Besides boosting your own knowledge and credibility, it is a service to others to speak truthfully about reality. A wealth of data is available:
